Joe,

Good news. Attached is the ALTA plan indicating the property lines around Academy and it confirms that the property line terminates at the building façade, including on Vine Street. See page 2 and the screen grab below for details. "East face of building on Property Line" is the note.

I believe this gives LAPD a bit more enforcement on the street considering that it is public? We will still continue with the other measures we discussed – signage, lighting and pressure washing.

Thanks!

Joshua Garza, RPA
